

**MEDICAL PROFESSIONAL REQUIREMENTS**

All Medical Professionals must be 100% state compliant prior to completing Orientation. All requirements must be up to date, current and valid:

- Certification as pulled up in DORA (if applicable)
  - CNA
  - LPN
  - RN
- Certification as pulled up in [cdphe.colorado.gov](http://cdphe.colorado.gov) (if applicable)
  - QMAP
- CPR/ BLS certification
- TB results
  - TB shot is valid for 1 year.
  - Chest Xray is valid for 2 years.
- Flu vaccine
  - Flu Vaccine must be for current Flu Season.
  - If Declining Flu Vaccine, you must provide Doctor or Hospital note exempting you from the Flu Vaccine.
    - Adverse Reaction
    - Religious Belief
    - Decline
- COVID test results
  - Facilities are requiring a negative COVID test result prior to you working.
  - Results can be dated 7 days prior to you working but not more.
  - COVID test results may take up to 72 hours or longer. Please google search for a FREE COVID test place near you.

Once you turn all the requirements in, we must complete a Criminal Background Check, CAPS, and Employee Reference Check prior to finalizing your hire.

What Schedule are you looking for?

This will allow our Account Managers assist you when offering you shifts available.

| <b>Able to work in COVID Exposed Environment?</b><br>**COVID PAY | <b>HOURS</b><br>Hours able to work? | <b>DAYS</b><br>Days able to work? | <b>LOCATION</b><br>What Locations you may work? |
