**Tuesday, April 13<sup>th</sup> 12:00pm – 1:00pm EST**

**RSVP TODAY: [lauralynn.m@amadaseniorcare.com](mailto:lauralynn.m@amadaseniorcare.com)**

## Hospice, Palliative Care & Home Care CE

All are important when choosing a care provider; but it can be difficult for families to understand the role each provider plays.

**In this course, attendees will earn 1 CE credit and learn to:**

- Clearly define the roles and funding options of hospice, palliative and home care
- Understand the new CMS changes to palliative and home care
- Understand and address key issues in the hospice/home care relationship
- Provide education to their patients and their families about end-of-life care options
